Basic Handgun Instruction*
License-To-Carry Class**

*Beginning shooters are strongly encouraged to take the Basic Handgun Instruction Course preceding the License-To-Carry Class. This course is designed to provide a hands-on introduction to the safe operation of a handgun. It is perfect for those that have never fired a handgun, as well as those looking to refresh old skills. This 1.5 hour training session will include both discussion and range time. We will focus on safety, shooting fundamentals, operation, and accuracy. Upon completion of this course, the student will be more comfortable using a handgun and easily capable of passing a License-To-Carry shooting qualification.

**The License-To-Carry Class will be held in a safe, comfortable and beautiful setting at Joshua Creek Ranch in Boerne, TX. The classroom training course will last 4-6 hours and will cover: State Required Topics, Basic Firearms Safety, Safe Handling and Storage, Non-Violent Dispute Resolution, Use of Force, Civil and Criminal Liability, Texas Concealed Handgun Laws, Review and Testing. The range portion will last 1-2 hours and will cover: Range Safety, Weapons Handling, Live Fire Qualification, Re-qualification (if necessary)

License-To-Carry Classes

FREQUENTLY ASKED QUESTIONS

PLEASE NOTE THIS IS NOT A SHOOTING INSTRUCTION CLASS!

(Beginning shooters are strongly encouraged to take a basic handgun instructional course before registering for the License-To-Carry Class)

The course fee **does not include the State Licensing Fee.**

Those fees range anywhere from FREE to \$140 for a four year license (based on conditions). Visit <http://www.txdps.state.tx.us/RSD/CHL/documents/CHLFeeSchedule.pdf> for more info on State fees.

Students do not need to apply with the State prior to attending the class, however it is highly recommended. All required forms will be available in class but using the **Texas DPS Online Application** found at <https://txapps.texas.gov/txapp/txdps/chl/> will greatly reduce the amount of paperwork, allow for a more accurate means of collecting fingerprints, and may speed up the approval process.

Students are encouraged to dress comfortably for the classroom portion. You will need a State issued photo ID and any CHL materials received from the State. No need to complete these forms prior to class, we'll handle that before hitting the range.

NO AMMUNITION WILL BE ALLOWED IN THE CLASSROOM

Please leave your firearms and all ammunition secured in your vehicle. If you do not feel comfortable locking your firearm in your car, a safe storage option will be available in the classroom. Under **NO** circumstances, will **ANY** live ammunition be allowed in the classroom.

Students are expected to be familiar with their pistol and know how to operate it safely. Accommodations can be made for students needing additional instruction, assistance, or encouragement. Every effort will be made to provide a safe, comfortable, and enjoyable shooting experience for all.

Each Student will need the following items in order to complete the live fire portion of training:

- Footwear that covers the entire foot
- A shirt with a conservative neckline, to protect against hot brass (hat optional)
- Handgun: Revolver (minimum .32 caliber) or Semi-Auto (minimum .380)
 - Handgun must be transported in a case or bag and should be in safe working order
 - No optical enhancers or lasers will be allowed
 - It no longer matters what type of handgun is used to qualifying. You will be licensed to carry semi-auto or revolver.
 - One empty magazine required for semi-autos
 - Holsters are optional
- Ammunition:
 - Minimum 50 rounds required for testing (additional may be required for re-test)
 - Brass case ammo might be required by certain ranges.
